Sports Funding Suggestions 2018-2019

At Dodford First School we believe in offering our children, regardless of their ability, with the opportunity to take part in regular sporting activities, to encourage them to develop healthy active lifestyles as they grow into adulthood.

The Government's 'Sports Premium' money provides us with the opportunity to provide specialist sports coaches, dance and yoga teachers, as well as enable us to finance transport to allow the children to compete against other children in a variety of sports environments. Additionally, it allows us to support colleagues in developing their own sports expertise through working closely with sports coaches. Through our service level agreement with the All Active Academy, we are able to source Professi0onal development opportunities for non-specialist staff.

In deciding where out money is spent we consider the 5 key indicators, which are:

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Key indicator 2: The profile of PE being raised across the school as a tool for whole school improvement

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

Suggested activity	Key Performance indicators (KPI's)	Potential impact	Expenditure
<u>High Quality Coaching</u> Employment of specialist games coach Employment of specialist Yoga teacher for children. Employment of a specialist dance teacher	KPI2. the profile of PE and sport being raised across the school as a tool for whole school improvement KPI3. increased confidence, knowledge and skills of all staff in teaching PE and sport KPI1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles KPI4. broader experience of a range of sports and activities offered to all pupils	- High quality lessons enabling children to achieve expected standards in their age groups and at greater depth -Potential qualification for Summer or Winter School Games.	£4500
Resources	KPI1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles KPI2. the profile of PE and sport being raised across the school as a tool for whole school improvement KPI4. broader experience of a range of sports and activities offered to all pupils Sports Day KPI5.
