We are thinking about the value 'DIVERSITY' this half term...

**Wednesday 29th March—Easter Egg Competition**

Easter Egg Competition—nearly here! The competition entries will be judged on Wednesday 29th March. At the start of school, please ask your child (or for larger entries, yourself) to bring their entry in via the school hall door and place on the table labelled up with their year group.

**DPA—Easter Project and Newsletter**

The DPA have been working extremely hard to put together a working party to complete tasks on the playgrounds and garden in April and we as a staff are very excited to have a team come in and work on the grounds, ready for the children to then continue this hard work. Please find attached a flyer about an Easter project that we believe your children will have fun doing and make a colourful garden display for the children to enjoy. We hope that as many children as possible can take part in this lovely craft idea.

The DPA have also attached a newsletter about the projects and fundraising they have been doing, please have a read, any additional support would be much appreciated by this hard working team!

### New additions!!

Wrens class are pleased to announce the safe arrival of 7 new chicks to their classroom. Mr Wilkes has kindly supported the school by providing the fertilised eggs and equipment to look after them. The whole school has been very excited and Wrens class are doing a great job in making sure they are well looked after! Please see a photo below of our fluffy friends.

### Diary Dates

Version 1 of these is attached with this week's newsletter.

### Mental Health and Wellbeing Focus—relationship with food

Developing good eating habits from a young age will help your child make wise decisions as they get older. The link below gives tips and ideas on what to do if your child is a 'fussy eater'. On the website are also articles about limiting sugar and salt and having a healthy relationship with food.
