Something Old, Something New

Year 1 and 2

Topic Work

We have been learning all about inventions and significant changes over time.

So we started by travelling back in time to learn about the Victorian Era with our special visitors from ‘Time to Time’.

We enjoyed learning about many aspects of Victorian life and significant inventions.

We played with Victorian wooden games and made our own simple Victorian games.

We became inventors and made our own musical instruments!

Finally to celebrate the end of our topic we dressed up a Mad Inventor or Scientist!
