Achieve, Believe, Create and Fly High

We are thinking about the value 'RESILIENCE' this half term...

Happy New Year!!

We hope you have all had a lovely Christmas and a good start to the new year! I'd like to take this opportunity, on behalf of all the staff, to thank you for your lovely cards and kind gifts that were passed on to us at the end of the term. We really do appreciate your kindness (and we still have plenty of goodies to keep us going during January!)

British Values Day

Each of the classes spent their first day back focusing on a British value and exploring what the value means to them, in school, at home and in the future. Our star award pupils this week have been chosen because of their contributions in class on this day.

Parent's Evenings

A letter has come out today, via email, with the dates of our mid year Parent's evening. Please make a note of the dates and when the booking system will be live. We hope by giving plenty of notice, that we will see you all over the two evenings.

Super Seven Day—School Values Day

On Monday 30th January we would like the children to dress up as super heroes to represent our super seven values— RESILIENCE, COLLABORATION, RESPECT, DIVERSITY, HONESTY, COURAGE, INDEPENDENCE. It can be an existing super hero that demonstrates one of these values (for example, The Incredibles collaborate as a family team, Elsa and Anna from Frozen show lots of courage or Iron Man showed resilience when designing his suit!) or you can come dressed in your own super hero design to represent one of the values!
