

EASTER/SPRING CRAFT CHALLENGE

Dear children,

We are setting you all an Easter/Spring challenge task to complete over the next two weeks! We would like everyone to create a board game with an Easter or Spring theme. Think about the types of board games you already enjoy and maybe base your idea on one of them. Are you racing around a track, maybe a farmer collecting all the chicks eggs? Are you the Easter Bunny on a chocolate Easter egg hunt, hidden like in Battleships? Are you climbing ladders and sliding down snakes in a farmer's field or on an egg hunt like in Snakes and Ladders?

When you have made your game, make sure that you take a picture of you playing your game with your family and you can post them on twitter or if you prefer send them into the office@ address for us to have a look at. We look forward to seeing your creations!

Have fun,

Mrs Eggleton, Miss Underhill and Miss Stanley
