Dodford First School was established in 1877 and pupils come from many different areas of Bromsgrove. As a small school with a maximum of 75 pupils, the learners develop excellent relationships both within their peer group and throughout the school. The school is set in beautiful countryside in the centre of Dodford village and has delightful grounds to enhance the outdoor learning experiences for children across the school.

Please contact the school on 01527 831569 and speak to the school office staff, Mrs Randall or Mrs Warrender to arrange a time when you would like to visit us on one of the sessions on offer. We look forward to meeting you!
