

DODFORD CHILDREN NEED YOU!

We are always looking for helpers to support reading in our school.

"Watching the children grow in confidence and seeing their reading improve is so rewarding as you feel like you're making a positive difference."

"It's an hour or so of your time, which flies past, and is extremely rewarding!"

Current Dodford Reading Volunteer.

We need volunteers who would be willing to hear individual children read so if you have a free afternoon or even a spare hour and would like to help please contact the school office.
