PE/WELLBEING: Exercise is great for your wellbeing and can be done at home if it is not possible to get out. Lots of you have been joining in with Joe Wicks daily workouts. Now it's time to try and event your own. Can you create a workout for you and your family to do? You could include exercises such as star jumps, squats, running on the spot, jumps, lunges etc. Think about how long you want to work/rest for.

Dear Parents,
 Please find below the list of weekly spellings. You may wish to do additional work helping your child to learn the weekly spellings before they take the online quiz. These will also be useful for those families who may be experiencing difficulties accessing the spellings via Purple Mash.
