

English		Maths	
<ul style="list-style-type: none"> • Writing Task: Fact File Think about one of the creatures you spotted in your garden during your science lesson last week. Was it a bird or maybe a mini-beast? Try to find out some facts about this animal and create an information fact file all about them. Make sure your fact file includes some correctly punctuated sentences and a labelled diagram. • Reading Comprehension: Visit Education City and try the activity set to improve your comprehension skills. • Spelling: On Purple Mash have a go at the weekly spelling quiz set for you. • <i>Spelling Challenge: Are you ready for another spelling challenge? Some other important vocabulary for KS1 pupils is being able to read and write in words the numbers to twenty. Start by spelling the numbers one up to ten. If you feel confident then you are ready to try the teen numbers from eleven up to twenty. The games set in maths this week will also help you to read and understand these words.</i> 		<p>PLACE VALUE: Reading, writing and ordering numbers Ask an adult to check you can do the following:</p> <ul style="list-style-type: none"> • I can count from 0 up to 100 in steps of one. • I can count backwards from 100 to 0 in steps of one. <p>Place Value Task: What numbers can you find written around your home and garden? Go on a number search with an adult. Can you read and write down all the numbers you find? Use this set of numbers and work out the largest number you have found and the smallest number. How do you know? Play the games set on Purple Mash to check your knowledge of place value and I will leave you some feedback.</p>	
ICT		Home Learning Choice Grid Year 1 and 2	
<ul style="list-style-type: none"> • Purple Mash - new 2Dos set, including work on mini-beasts. Don't forget to click on the rewards icon to see if you have a reward from your teacher! • Education City - click under the homework tab to find the new lessons set for you each week. • Bug Club - try to read at least 1 book online and 1 from your own collection. You can always go on Purple Mash and write a book review for any book you enjoy reading. Leave me a hand-in note and then I can reply. 		 <p>Please select two or three activities daily. Remember each task should only be 20-30 minutes long.</p>	
<p>Don't forget if you would like daily maths and English lessons you can visit The Oak National Academy: https://www.thenational.academy/</p>		Science HABITATS What kind of habitats might you find in the UK? Did you discuss this question with a grownup last week? Time for some further research. Select one UK habitat and find out what animals and plants live there and why? For example, you could research the seaside, river, woodland, field, meadow, pond etc. Present your research by producing a colourful poster. Draw the background/landscape for the habitat, add in pictures of the plants and animals and then add some labels. <i>Don't forget to post your completed work on twitter or email a photograph to the school office for me to see!</i>	
Topic		Wider Curriculum	
<p>Our summer topic is called WISH YOU WERE HERE! This week let's think about climate.</p> <ul style="list-style-type: none"> • You might like to start here and find out a little bit about climate zones around the world: https://www.funkidslive.com/learn/marina-ventura/climate-explorers/major-climate-zones-world/# • We can describe our UK weather as temperate. Can you find out what that word means? Discuss with a family member. 		<p>ART: Visit the website of author Rob Biddulph and take part in his draw with Rob activity to learn how to create some of his popular characters. #DrawWithRob http://www.robbiddulph.com/draw-with-rob</p> <p>DANCE: Take on the dance challenge. Put on a favourite piece of music and create your own dance routine. Now find a willing family member and teach them your dance.</p>	

Week Commencing: 18.05.20
