

Sports Crew – Dodford First School

The Sports Crew at Dodford First School is comprised of members of Year 4 .

Aims at Dodford First School:

- To work with teachers (PE Lead) and fellow pupils to organise intra-school competitions and school sport opportunities (including School Games Day).
- Surveying other pupils in school to find out what young people think of sport in their school
- To report back to fellow students on what improvements have been or are going to be made.
- To lead by example, promoting what is good sportsmanship

To enable children to complete these activities we participate in both Sports Crew training with support from the All Active Academy and Young Leader training.

Examples of activities the children undertake:

- Leading lunchtime play activities
- Creating and surveying children on what sports we can offer
- Attending Sports Crew meetings on a weekly basis
- Ensuring equipment is in good working order and kept in an orderly manner
- Ensuring that sports equipment is in place for lunchtime play
- Promoting sport through assemblies and reporting back on newsletters about competitions both internally and externally completed
- Leading in the organisation of our School Games Day
- Writing reports on intra-school competitions.
- Leading upon resource purchases in school e.g. playground lines and resources.

The Sports Crew for 2022-2023 are :
